### BULLETIN

#### LAST CHANCE

April 5, 1939. Here's our last call bargains. The same high quality stock in the prime of condition. There just isn't as much of it as before. Two railroads and the express company are ready to get this material to you in a hurry when the time gets short for you. Our packers are careful and speedy. Send us the order and hold your hat. A wire will reserve items for you where they are scarce. First Come, First Served. Let's Go!

---

If you can't find your copy of our regular Trade list, drop us a card and we'll send another. It gives our complete line of Conifers, Broadleaved Evergreens, and all descriptions for the material in this bulletin.

**NR STOCK PACKED FREE FOR CASH WITH ORDER**

TERMS:

2% 10 days, 1% 30 days, net 60 days to firms  
with established credit.

---

For Lining-Out Stock, See Pages 9 and 10.

ILLINOIS, March 14, 1939: "Received the stock today in good order, and find it the usual Chase fine grade."

NEW YORK, March 17, 1939: "I wish to express my appreciation for the fine manner in which you credited me with the lowest prices on your stock. You may be assured that any stock I need and that you can furnish, will be ordered from you."

ALABAMA, March 17, 1939: "I was very much satisfied with lining-out stock from your nursery."

GEORGIA, December 5, 1938: "The Abelia received in splendid condition."

INDIANA, December 2, 1938: "We have your fall shipment of stock and it checks out very nicely. We are well pleased with it."

WISCONSIN, December 5, 1938: "Received Roses today. Stock very fine."

SOUTH CAROLINA, December 5, 1938: "Allow me to say that I was highly pleased with all Liners which I received from you last year, and want to place another order."

**LINING-OUT STOCK**

This Lining-Out Stock is all field grown except as noted. Rigid cultivation in our rich soil gives every item a wonderful root system, the thing a liner needs most. "S" means seedlings from beds; "P" means shaken from pots. Culls are as rigidly excluded from our Liners as they are from our finished stock.
